Vision of Department:

To be an exemplary department in electrical engineering to facilitate value imbibed quality professionals.

Mission of Department:

1. Impart state of the art knowledge in Electrical and Electronics Engineering Field.
2. Inculcate the culture of research and lifelong learning.
3. Facilitate the professionals with concern towards social commitment & ethical values.

Programme Educational Objectives:

1. Graduates will handle the modern tools and take diverse career paths / research / higher education.
2. Graduates will excel with managerial and leadership qualities.
3. Graduates will have skills to work in teams with integrity & ethical values.

Programme Specific Outcomes:

1. Graduates will be able to analyze design and provide engineering solutions in the areas related to Power Electronics, Drives, and Power Systems.
2. Graduates will be able to apply domain specific knowledge to provide solutions in the areas related to Control & Automation and Electrical System Design.

Value Engineering Seminar

Organized by Institute of Engineers India.

Smt. Gomathy S, Sri Sijo George, Sandeep S Mallya from S4EEE, Jusail and Aswin Pattiyiel from S1EEE attended a seminar on Value Engineering at IEI Bhavan, Ernakulam on 23rd February.
