## INSTITUTE OF ENGINEERING AND TECHNOLOGY

Minutes of the meeting of the Anti ragging cell of ASIET on 07/08/2025

Venue : Principal Board Room

Time: 12.30 pm

The anti-ragging cell members of ASIET present were welcomed by the Principal. The principal insisted the faculty and students present to spread the message about the functioning of this cell to the other students and faculty in the campus.

The Principal addressed about the pros and cons of the ragging.

The sub inspector of police from Kaldy police station Sri Sudheer pointed out that there is no discrimination as senior or junior in this aspect and the punishments they have to undergo if found guilty. He also informed the students the after effect of the ragging and even the probability of leading to death. Even body shaming is also included in ragging and also appreciated that no such incidents were reported from this College.

The ward member Sri. Eldhose pointed out the areas/situation in which we have to concentrate to curb ragging. It can be implemented only through the combined effort of the faculty and students.

The media person Sri Prasanth also shared that even small incidents which we will not think will lead to a very serious issue if reported in the portal. Also requested to students to report anything happens in the college to the concern authority without failure.

Sri. Sreenath N, GM pointed out the after effect of the reported incidents if any which will spoil their entire future.

Sri. Sijo George, NGO Officer discussed about the transformation in the character of the students when transferred from school life to college life. Also requested the

student representatives to be precautions so that no such untoward incidents happens inside the campus.

Dr. Meenakshy K, Director Academics pointed out the probability of the students registering complaints directly in the portal and also the consequences through which the parents as well as the students have to undergo which spoils their future.

Smt. Manju M, LH Warden pointed out the lack of self-confidence of the current generation so that even small matters may get worsen and lead them to end their life. Hence she requested to have good relationship to upcoming juniors and help them to provide the required support.

Ms. Apoorva, Student representative told about the mentoring cell formed under the anti-ragging cell. For every four students in the first year there will be a mentor from the senior students to provide the necessary help and support.

Ms. Sreelakshmi, Student representative revealed about the awareness program they are planning to conduct for the juniors during their arrival. Also told about anti-ragging week celebrations to be conducted during the month of August 2025.

Mr. Sreejith, Student representative informed about the need of having mutual respect and friendship among the seniors and juniors.

Dr. Ramani Bai, HOD, CSE informed about the humanitarian respect which is highly needed and to be shared with all. It is very important to see that what others feel about your deal.

The coordinator expressed sincere thanks to all the members assembled there and giving their valuable suggestions. The meeting ended by 1.15 p.m.

### **Actions Taken**

The student representatives and faculty have to communicate with their colleagues and other students about the functioning of this cell.

The awareness program to higher semesters to be scheduled.

All HoDs should ensure the presence of their respective students of their department to attend the program scheduled.

The mentor-mentee list to be published on the arrival of first year students.
