Guidelines to the students attending December 2020 Regular and Supplementary examination

As per the instructions from the university and taking into consideration of the COVID scenario, 3 types of special exam halls are arranged to handle the COVID situations.

1. COVID-19 Positive students
2. Students under quarantine and from containment zones/hotspots
3. Symptomatic students identified at the screening point

Students falling under the first and second category needs inform the exam cell at least a day prior to the examination. We will be arranging the necessary requirements for the smooth conduct of examination
