"Empowering Dreams: An Orientation Program for Women Entrepreneurs,"- November 21st 2023

An orientation program titled "Empowering Dreams: An Orientation Program for Women Entrepreneurs" was conducted by Adi Sankara Skill Kendra in collaboration with the Women Empowerment Cell and IEDC. The program aimed to offer guidance to women interested in venturing into entrepreneurship, specifically through home-based startups, to enhance their earning potential. Dr. Jacob George, Associate Director at ASIET, introduced and extended a warm welcome to the speaker and their team.

Event Details:

Date: 21 November, 2023

Time: 11:00 AM - 11:55 AM

Venue: EC Mini Seminar Hall

Objectives:

1. To offer comprehensive guidance to women entering the world of entrepreneurship.
2. To empower women to increase their earning potential through home-based start-ups.
3. To facilitate access to 100% funding and outsourced projects supported by global industry professionals and investors.
4. To enable women to identify their skills and potential for developing and managing a sustainable global business.

The talk, facilitated by an external agency from Trivandrum, was attended by nearly 55 students. Following the informative session, interested female students were presented with an exclusive opportunity to establish their startups at the Adi Shankara Technology Business Incubator (TBI).

She Well-Being - November 17th 2023

The IEEE Student Branch at ASIET, in collaboration with the Women Empowerment Cell, hosted a two-hour seminar titled "She Well-Being - Nurturing Health, Empowering Lives" featuring Dr. Saroj Menon, a Gynecologist from the Mind Empowered Organization. The event took place on November 17, 2023, at the Main Seminar Hall. The seminar aimed to provide expert insights and practical tips for nurturing health and empowering the lives of our female students.

Dr. Sreepriya S, the Principal of ASIET, extended a warm welcome to the attendees, and the entire session proved to be valuable. The event garnered participation from almost 60 female students representing various departments.

On 7/3/24, ASIET celebrated International Women's Day was organized by women empowerment cell, a global observance dedicated to recognizing the achievements and contributions of women. This report provides an overview of the activities conducted and the outcomes achieved during our Women's Day celebration.

On women's day several activities were conducted in ASIET campus. Girl students from B.Tech, M.Tech, M.B.A and M.C.A students along with female staffs of all departments and administrative section participated in the program. It started with the prayer and Dr Smitha K N, Senior gynaecologist from L.F hospital, Angamaly gave a talk on Adolescent health and menstrual hygiene. After flag hoisting various cultural events were arranged in the college auditorium.

There was an exhibition of art work by students at the college lobby.

The program concluded with womans day run from our college to mattoor . Several students participated in it.
