EXECOM POSTERS

The CSI SB ASIET Advisory Committee is indeed privileged to have a team of highly experienced educators, mentors, and department leaders who play a crucial role in shaping our educational landscape. With their valuable guidance and expertise, we are dedicated to providing educational experience and nurturing the talents of our students. We extend our warmest best wishes to the Advisory Committee team, whose commitment and wisdom will undoubtedly lead us toward excellence! ✨

Introducing our dedicated Governing Council, the driving force behind our organization's success! We take immense pride in presenting the dedicated individual who will be leading our CSI SB ASIET. Together with this capable leader at the helm, they form the backbone of our organization, ensuring its continued growth and success. Congratulations to our new leaders, and best wishes for a successful and impactful tenure! 🌟

With immense pleasure and happiness, we introduce our Executive Committee Members of CSI SB ASIET! Like stars in the night sky, each team shines uniquely yet aligns harmoniously to guide our organization's voyage through the galaxy of success. Together, they blend their talents, navigating our mission with precision, leaving trails of inspiration, governance, and excellence in their wake. Best wishes to all! ✨

This banner features a dark purple background with a subtle pattern. It includes the Adi Shankara logo in the top left and a circular logo in the top right. Two portraits of women are displayed side-by-side. The text 'SOCIAL MEDIA TEAM' is written vertically on the right side. At the bottom, 'EXECOM'23' is written in large white letters, followed by a horizontal line and a vertical line.

MINUTES of Execom Meeting 1

Date: August 4th, 2023

Duration: 1.5 hrs

Mode of Conduct: Online

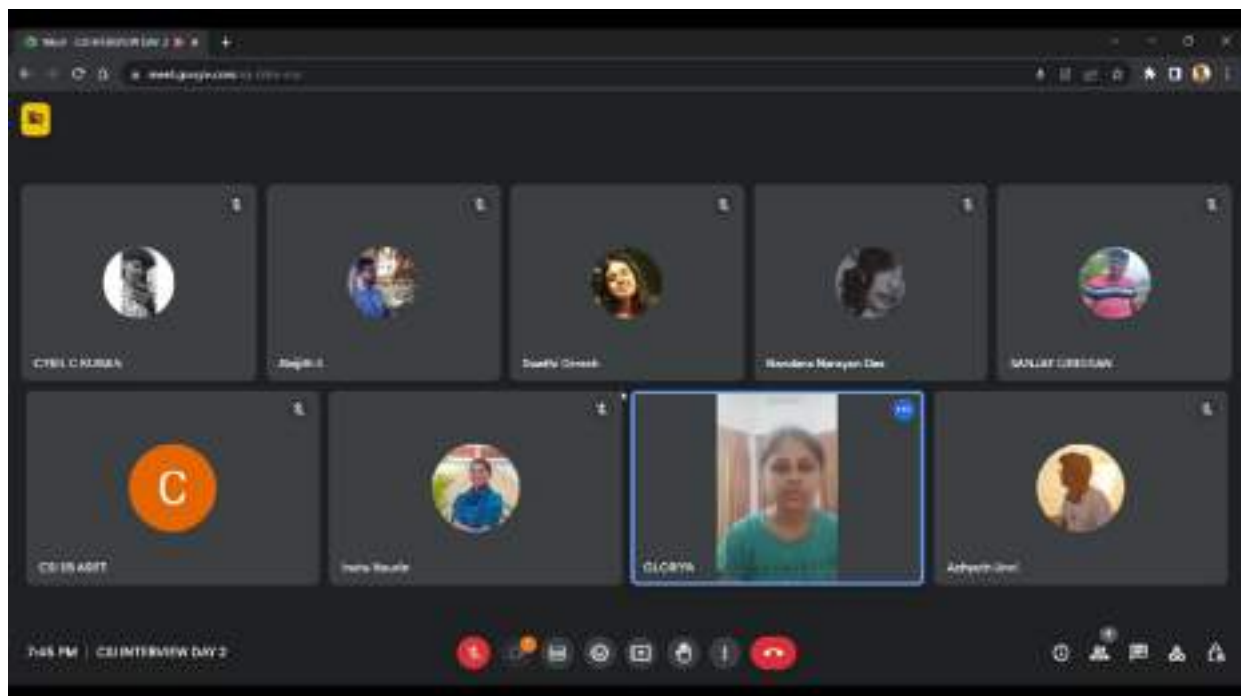

Venue: Gmeet

Audience: 18

The first Execom meeting of CSI SB ASIET was conducted via Google Meet. During the meeting, all former Execom members, including Chairman Akash A Nair and Vice President Devika MS, were present. They took a moment to express their gratitude before voluntarily stepping down from their positions.

The roles were then assigned, with Sanjay Gireesan appointed as the Campus Lead and Abhijith S as the General Secretary. The meeting also involved discussions about the call for new Execom members and the schedule for conducting interviews to fill different positions.

Programs for the whole year, such as coding competitions - Exposito Fiesta, webcraft, and workshops, were discussed. The meeting concluded by thanking everyone who joined.

EVENT REPORT: EXECOME SELECTION

Date: 30th and 31st August 2023

Duration: 2hrs

Mode of Conduct: Online

Venue: Google meet

The Execom Selection process for CSI SB ASIET has been conducted with meticulous attention to the organization's goals, values, and the competencies required to steer towards continued success and innovation. The Execom plays a crucial role in guiding the strategic direction, decision-making, and overall leadership of the organization. The selection process involved a comprehensive assessment of potential candidates based on their qualifications, experience, and their attitude towards multitasking.

The Execom selection was done in online mode. There were around 36 applicants for different positions. Interviews and assessment was done through google meet (online mode) and was held on 30-08-2023 and 31-08-2023. candidates were evaluated based on their leadership capabilities, strategic vision, industry experience, ability to foster innovation.

Based on the evaluation process and alignment with organizational objectives, the following Candidates was selected for following Execom roles:

Treasurer- Gouri J Shenoj

Joint Secretary-Don Sanson

Documentation Lead- Linu Joy

Third year rep-Akhil S Anil

Second year rep- Snehamol K M

First year rep -Adhithya M Beejoy

Media Team member-Madhav Rajeev

Media Team member-Sarang R

Social Media Team member-Gloriya Titto

Documentation Team member-Dhrupath Abhilash

Documentation Team member-Nazmiya A N

Design Team member-Madhavan V

Design Team member-Keerthana Santhosh

Technical Team member -Noel Mathew Jins

Technical Team member-Adwaith Krishna

General Volunteer-Aparna S Nair

Adi Shankara Institute of Engineering and Technology

FIRST EXECOM MEETING

Date : 18th September 2023

Time : 12.30 PM

Mode of Conduct : Offline

Venue : CSE Seminar Hall

Attendees : CSI Execom Members

REPORT:

The First Execom meeting of CSI SB ASIET was held on September 18, 2023, from 12:30 p.m. to 3:00 p.m., in the presence of Assistant Professors Neetha K Nataraj and Gripsy Paul. The meeting commenced with Sanjay Gireesan (Campus Lead - CSI SB ASIET) welcoming all the executive committee (execom) members. The primary agenda of the meeting was to introduce each team and its members and to discuss the upcoming event 'EXPOSITO FIESTA', scheduled for September 20, 2023.

Initially, each team lead introduced their respective team members, and various tasks were allocated to each team. Following this, the rules and regulations for the event, as well as the event topics, were discussed and finalized. The chosen topic was 'Space Exploration.'

Subsequently, design constraints regarding the logo were discussed, and it was decided that the college logo would be placed in the top left corner, with the CSI logo in the top right corner.

At the conclusion of the meeting, a recap of all the decisions made during the meeting was presented to all attendees.

First Year Orientation

Date: 05th September 2022 Venue: ASIET Main Seminar Hall

Crowd: S1 CSE, CSE-AI and CSE-DS students

The CSI SB ASIET First Year Orientation was held on 5th September 2023 at the ASIET Main Seminar Hall. The event commenced with a solemn silent prayer, setting a reflective tone for the proceedings of the day.

Following the prayer, the orientation began with an insightful introduction speech by Abhijith S, S7 CSE-A student and the General Secretary of CSI SB ASIET.

Abhijith shared valuable insights into the role of Campus Leads, emphasizing the pivotal role they play in guiding and nurturing the students of ASIET. His speech served as an excellent foundation for the newcomers, offering them a glimpse into the student leadership structure of the institution.

The session then transitioned into a comprehensive overview of CSI SB ASIET, presented by Sanjay Gireesan of S7 CSE-B, the Campus Lead of CSI SB ASIET. Sanjay's presentation delved into the mission, objectives, and achievements of CSI SB ASIET, providing the first-year students with a profound understanding of the organization they are now a part of.

Insha Nourin Sulbi of S5 CSE-A, took the stage next to enlighten the audience about the various zones within CSI. Her speech highlighted the diverse areas of interest and specialization that CSI caters to, encouraging students to explore and engage actively within their specific fields.

Following this, Swathi Dinesh, S5 CSE-AI student, discussed the benefits of CSI membership in ASIET. Swathi elaborated on the numerous advantages, including access to a vast network of professionals, workshops, seminars, and collaborative opportunities, inspiring the first-year students to make the most of their CSI affiliation.

The orientation reached its pinnacle with an enlightening introduction to the Executive Committee (Execom) for the academic year 2023-2024. The Execom members were introduced by the faculty advisors, Neetha K Nataraj and Gripsy Bino, who emphasized the dedication and enthusiasm of the student leaders and their commitment to fostering a vibrant CSI community within ASIET.

In conclusion, the CSI SB ASIET First Year Orientation served as a platform for new students to not only understand the organization's structure and objectives but also to feel inspired and motivated to actively participate in the diverse array of activities and opportunities offered by CSI. The event successfully set the stage for a year of growth, learning, and collaboration within the CSI community at ASIET.

Training Program Report

Training Program Title: Data Analytics using Excel

Training Provider: LCC Cochin

Training Venue: ASIET Kalady

Training Dates: September 11, 2023 - September 16, 2023

Organized By: CSI SB of ASIET Kalady

Introduction

The Data Analytics using Excel training program was conducted from September 11, 2023, to September 16, 2023, at ASIET Kalady. The training program was organized by the CSI Student Branch of ASIET Kalady in collaboration with LCC Cochin, aimed at providing in-depth knowledge and hands-on experience in data analytics using Microsoft Excel.

Objectives

1.Relevance of Data Analytics: Emphasizing the importance of data-driven decision-making in various industries and showcasing Excel as a powerful tool for data analysis.

2.Enhancing Employability: Providing students with skills that enhance employability in roles such as data analyst, business analyst, and market researcher.

Training Sessions Overview

Sessions 1-3: Fundamentals of Data Analysis and Advanced Excel Functions

The initial sessions focused on the fundamentals of data analysis, correcting errors in formulas, summarizing and consolidating data, working with text functions, and implementing conditional formatting.

Sessions 4-8: Advanced Excel Techniques and Security

These sessions covered topics like filtering and sorting data, security and protection in Excel, freezing panes, logical operations, lookup and reference functions, and rounding functions.

Adi Shankara Institute of Engineering and Technology

Kalady, Ernakulam, Kerala, India - 683574

Department of Computer Science & Engineering

Sessions 9-15: Advanced Excel Functions and Pivot Tables/Charts

Participants delved into logical operations, named ranges, pivot tables, and pivot charts. The sessions provided insights into creating, formatting, and customizing pivot tables and charts for effective data visualization.

Sessions 16-21: Advanced Excel Functions and Data Analysis

The final sessions covered date and time functions, linking data, what-if analysis, subtotals, and an introduction to statistical concepts and their application in Excel.

Participants and Impact

The training program was attended by S7 students of the Computer Science and Engineering (CSE) department at ASIET Kalady. Through interactive sessions and practical exercises, participants gained proficiency in various Excel functions and techniques essential for data analysis.

Conclusion

The Data Analytics using Excel training program equipped participants with valuable skills in Excel data analysis. The knowledge gained during these sessions is expected to enhance students' employability and contribute to their academic and professional growth.

Feedback

Participants expressed satisfaction with the program content and delivery. They found the hands-on approach particularly beneficial and appreciated the real-world applications demonstrated during the sessions.

EXPOSITO FIESTA

REPORT

Event Report: Esposito - PPT Making Competition on Space Exploration

Date: 20 th September 2023

The CSI Club successfully organized the Esposito Program, a PPT Making Competition focused on the intriguing topic of space exploration. The event targeted 1st, 2nd, and 3rd-year Computer Science students, aiming to provide a competitive platform for individuals in the technical field. The competition, held on 20 th September 2023, witnessed enthusiastic participation from students eager to showcase their technical prowess and creativity. The participants, divided into teams, demonstrated their skills in crafting engaging and informative PowerPoint presentations on various aspects of space exploration.

Judged by a panel of experienced professionals in the field, the event evaluated participants based on the clarity of content, visual appeal, and technical accuracy of their presentations. The competition not only fostered healthy competition but also served as a valuable learning experience for the students, encouraging them to delve deeper into the fascinating realm of space science and technology.

The winners of the competition were announced at the end of the event, with the top three teams receiving accolades for their exceptional presentations. This not only acknowledged their hard work and dedication but also motivated them to continue exploring the ever-evolving field of space exploration.

Esposito not only achieved its goal of providing a competitive platform but also created a sense of camaraderie among participants, fostering a spirit of innovation and collaboration within the CSI Club. The success of this event paves the way for future programs that aim to engage and empower students in the technical domain.

The CSI Club extends its gratitude to all participants, judges, and volunteers who contributed to the success of Esposito. We look forward to organizing more such events that promote technical excellence and foster a sense of community among aspiring computer science Professionals.

API 101 WITH POSTMAN

REPORT

Date : 9th October

Time : 7:30 pm

Duration : 2 hrs

Mode of conduct : Online

Venue : Zoom

The CSI SB ASIET successfully organized API 101 with Postman, which aimed to provide attendees with a comprehensive understanding of APIs. The event demonstrates the role of Postman as a powerful tool for API development and testing .

The online event was conducted on 9th of October 2023 from 7.30pm to 9.30pm. The gathering was addressed by the HOD of the CS department . The session began with Sanjay Gireesan (Campus Lead-CSI SB ASIET) and Gouri J Shenoi (Treasurer) giving the participants an insight about the competition. The whole session was hosted by Arjun S Nair of S1 CSE-AI.

The session was again divided into Introduction part , practical workshop and Q&A. The API 101 with Postman event was a promising initiative to promote API literacy and demonstrate the significance of Postman in the API development and testing process. Attendees left the event with a better understanding of APIs, their practical applications, and the potential benefits of using Postman as a tool in their software development workflows.

Overall, the event was a valuable contribution to enhancing API knowledge among attendees and fostering interest in API-related topics. It laid the groundwork for future engagements and opportunities for attendees to further explore APIs and Postman.

Feedback

Postman is a widely used API testing and development tool, known for its user-friendly interface and extensive features. Users appreciate its ability to create and organize API requests, test different scenarios, and collaborate within teams.

Hence, this session helps to know more about API and its development tools and also about the Postman and helps to understand its various applications too.

WEBCRAFT MINI HACKATHON

REPORT

Date: 13th, 14th, 15th, 16th and 18th November 2023

Venue: Hybrid (Google Meet and CCF Labs ASIET)

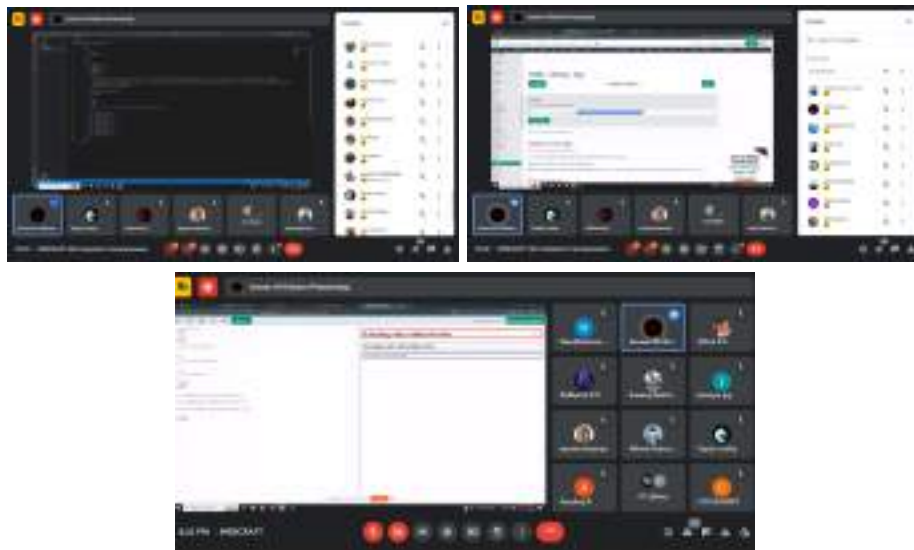

Overview

The webcraft event was held by the CSI and TinkerHub ASIET community in collaboration with departments of CSE, CSE-AI, CSE-DS, and MCA.

The event, with a primary goal of providing the participants with a sound knowledge of front-end web-development technologies like HTML, CSS, and JavaScript along with NodeJS, conducted a 4-day online session covering the same topics and an offline Mini Hackathon.

Online Sessions

The online session was conducted by Ameer Al Hisham, a mentor of the TinkerHub Foundation. Ameer helped the students gain a strong foundation on the basics of front-end web development and made them aware of the trending technologies in the same field.

Offline Mini-Hackathon

The offline session was a Mini-Hackathon planned for the participants to work in teams of two on a set of problem statements. The team with the most innovative and real-time solution was awarded the winner tag.

The Hackathon was conducted on 18th November 2023. There were 4 problem statements given to the participants, out of which they could choose any one and work on its solution.

The image displays four problem statement cards for the WEBCRAFT '23 hackathon, arranged in a 2x2 grid. Each card has a blue background with white and light blue text. The cards are:

- WEBCRAFT '23 Web Game Collection:** Objective: Create a web-based mini-game collection of at least 100 games with diverse categories. Features include a Padlock Game Checker, Tic Tac Toe, Hangman Game, and Bonus Page.
- WEBCRAFT '23 Personal Resume Website:** Objective: Design and implement a clean, elegant resume website for a fictional candidate. Features include a Header Section, Skills Section, Educational Section, and Work Experience Section.
- WEBCRAFT '23 Currency Converter:** Objective: Develop a web-based real-time currency converter with a user-friendly interface. Features include Currency Input, Real-Time Conversion, Currency Selection, and Conversion Rates.
- WEBCRAFT '23 Landing Page Design:** Objective: Design and implement an engaging and visually appealing landing page for a fictional product. Features include Product Introduction, Call-to-Action (CTA), Key Features, and Visual Appeal.

The day dawned with the official launch of the CSI SB ASIET logo for the academic year 2023-24. The prestigious ceremony took place in the Seminar Hall, graced by the esteemed presence of Dr. Sreepriya S, Principal of ASIET, Prof. Manesh T, HoD of CSE, Dr. Sreerishnan, HoD of MCA, Mr. Aneesh, HoD of CE, and faculty members from both MCA and CSE departments.

Adi Shankara Institute of Engineering and Technology

Kalady, Ernakulam, Kerala, India - 683574

Department of Computer Science & Engineering

The event commenced with a welcoming address by Sanjay Gireesan, Campus Lead of CSI SB ASIET, followed by an insightful speech by Dr. Sreepriya S, Principal of ASIET. The logo was unveiled by Dr. Sreekrishnan, HoD of MCA, after a motivating exhortation to the participants.

The ceremony also recognized the winners of Exposito Fiesta, awarding them certificates and cash prizes. Abhinand K Prasad and Anabel George of S5 CSE-A secured first place, while Harsh R Nair and Sooraj S secured second place. Dr. Sreepriya S and Prof. Manesh T bestowed the certificates upon the winners.

Adi Shankara Institute of Engineering and Technology

Kalady, Ernakulam, Kerala, India - 683574

Department of Computer Science & Engineering

The inauguration ceremony concluded with a vote of thanks delivered by Insha Nourin Sulbi, TinkerHub Campus Lead.

Following the logo launch, participants eagerly moved to the CCF labs for registration for the anticipated Mini-Hackathon.

Over 100 students from Adi Shankara Institute of Engineering and Technology (ASIET), Cochin University of Science and Technology (CUSAT), and Viswajyothi College of Engineering and Technology (VJCET) were welcomed with swag bags and an opportunity to connect with fellow participants.

The day buzzed with activity as students exchanged ideas, learned from each other, and collaborated to build their innovative projects. Refreshments were provided at 11 am, followed by lunch at 1 pm, fueling the participants' continued efforts.

By 3 pm, the judging panel commenced their rigorous evaluation of each project, meticulously assessing their creativity, implementation, and overall impact.

Finally, at 4 pm, the much-awaited moment arrived. The winners were announced, with their accomplishments celebrated by the entire community:

1st Prize:

Dyna Joshy (ASIET, Kalady)
Sreeraj Rajeev (ASIET, Kalady)

2nd Prize:

Jaison T Paulose (ASIET, Kalady)

Adi Shankara Institute of Engineering and Technology

We are absolutely thrilled to unveil WEBCRAFT, an exciting mini HACKATHON presented by CSI SB ASIET and TINKERHUB ASIET in collaboration with Departments of CSE, CSE-AI and MCA. This fantastic event unfolds with a four-day online web development training from November 13th to 16th, followed by an exhilarating website building competition on November 18th.

Here are the key details:

- ◆ It's a team event, and each team can consist of up to 2 participants.
- ◆ No registration fee.
- ◆ To cover refreshments and snacks, a nominal fee of ₹100 is required.
- ◆ Prizes worth 6K!

Ready to dive in?? Hurry up and secure your spot 🙌

FEEDBACK

1. Mohamed Shamil Abdul Salam:

- Workshop Evaluation:
 - Overall Quality: Ranged from “Good” to “Excellent.”
 - Contribution to Learning: Rated as “Very Good” and “Excellent.”
 - Knowledge Gain in Front-End Development: Varied from “Moderate” to “Significant.”
 - Query Resolution: Mostly resolved.
- Instructor Evaluation:
 - Effectiveness as a Lecturer/Demonstrator: Mixed opinions.
 - Stimulation of Student Interest: Varying feedback.
 - Effective Use of Time: Diverse views.
 - Availability and Helpfulness: Responses differed.
- Useful Aspects of the Course: Interactive learning.
- Meeting Expectations: Generally positive.
- Likelihood to Attend Future Events: High.

2. Harikrishnan H:

- Workshop Evaluation:
 - Overall Quality: Ranged from “Good” to “Excellent.”
 - Contribution to Learning: Rated as “Satisfactory” and “Excellent.”
 - Knowledge Gain in Front-End Development: Varied from “Little” to “Extensive.”
 - Query Resolution: Mostly resolved.
- Instructor Evaluation:
 - Effectiveness as a Lecturer/Demonstrator: Mixed opinions.

Adi Shankara Institute of Engineering and Technology

Kalady, Ernakulam, Kerala, India - 683574

Department of Computer Science & Engineering

- Stimulation of Student Interest: Varying feedback.
- Effective Use of Time: Diverse views.
- Availability and Helpfulness: Responses differed.
- Useful Aspects of the Course: Learning from scratch.
- Meeting Expectations: Positive.
- Likelihood to Attend Future Events: High.

Overall, participants appreciated interactive learning and expressed a willingness to attend future events. While there were areas for improvement, the positive sentiment prevailed.

BYTE QUEST

REPORT

Date : 01/03/2024

Venue : CS Seminar Hall

Duration : 2 Hours

Audience : 22 Teams

Byte Quest was an IT quiz organized with the collaboration of the Department of Computer Science and Engineering and Computer Society of India ASIET Chapter.

22 teams participated, including 3 teams from external colleges.

The event consisted of prelims, where all registered teams competed, and 7 teams qualified for the final round. Sanjay Gireesan from S8 CS B was the Quiz Master, who was also the founder of Prajna Quiz Club.

The Staff Coordinator was Chinnu Maria Varghese and Student Co-ordinator was Akhil S Anil and Harisankar S.
