2020-2021

QUALITY INITIATIVES & ENRICHMENT ACTIVITIES

Adi Shankara Institute of Engineering and Technology (ASIET), has been a front runner in ensuring quality engineering education. Major activities undertaken to improve the quality of the institute during the academic year 2020-2021 are listed below.

Accreditations

- **NBA Accreditation**

Four eligible programs (Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering and Mechanical Engineering) were **accredited** till 30.06.21. On account of the prevailing covid condition the compliance report was submitted online as directed by NBA. Results are awaited. ([NBA Accreditation Status 2020](#))

- **NAAC Accreditation**

Preparatory works for the NAAC Accreditation is going on in full swing.

- **ARIIA Ranking**

ASIET participated in the ARIIA Ranking 2021. Results are awaited.

- **NEP 2020**

Preliminary studies on the feasibility of implementation of the new education policy was initiated. A webinar was organised in this regard

Academic and Administrative Audits

It's also important to monitor and reassess the quality standards and functions of the institute. Audits (IQAC/External Agencies) play a vital role in this process of continuous evaluation and improvement.

Internal Academic Audit Committee (AAC) comprising of senior faculty members from various departments was also formed and internal audits were carried out during the academic year, one for each semester. The audits were done online due to the covid situation prevailing in the campus

Societal Initiatives

Covid -19 Initiatives

ASIET family was involved in the rehabilitation activities related to the pandemic situation prevailing in the country. ASIET made a remarkable contribution to society in different phases of COVID pandemic. Sanitizer dispenser units developed by the institute were distributed into the various government institutes such as district administration office, police station, government hospitals, police station, banks, railway station and panchayat offices etc. To meet the shortage of ventilator system ASIET developed a ventilator system "Jeeva Vayu" and handed over the same to the general hospital Ernakulum. To support the COVID volunteers who were working for the panchayat, a software was developed and handed over to the Kalady and Vadakekara Panchayat. Social responsible activities like Free Mask and sanitizer distribution, Cloth and food distribution to various orphanages and old age homes, Material collection and distribution to First line treatment center ,donation of refrigerator to First line treatment center showcased the commitment of the institute to the society. NSS unit of ASIET has actively participated in the COVID 19 campaign and made sanitizer and distributes in various places. Blood donation camps and voluntary blood donations were conducted during COVID Pandemic.
